

Reporoa Primary School Pet Day 2022

29th September 2022

DOGS

4. This year, if you want, you can teach your dog a trick and show this to the judge at the end. These will be judged and ribbons awarded

This dog section is easy, low stress and suits any type of dog, big, small, old, young, farm dog or lap dog.

We ask that your dog is used to other dogs and **kept under control at all times**. A parent needs to be there to help you with your dog.
